FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 11-07C (American University – Modification of Approved Further Processing Application)

THIS CASE IS OF INTEREST TO ANC 3D and ANC 3E

On November 20, 2014, the Office of Zoning received an application from American University (the "Applicant") requesting what it characterized as a minor modification of an approved Campus Plan Further Processing application related to the development of American University's East Campus. Minor modifications may be considered by the Zoning Commission on its Consent Calendar without a hearing pursuant to 11 DCMR 3030. At the Zoning Commission's December 8, 2014 Public Meeting, the Zoning Commission removed this application from the Consent Calendar and scheduled this application for a limited scope public hearing. Subsection 3129.9 provides that the scope of a modification hearing is limited to impact of the modification on the subject of the original application, and does not permit the Commission to revisit its original decision.

ZC Order No. 11-07 approved the American University Campus Plan for the period from 2011-2022 and approved a Further Processing application for the construction of six buildings on the East Campus. The East Campus is located across Nebraska Avenue, NW from the central campus, and is bounded by Nebraska Avenue, NW, Massachusetts Avenue, NW, a shared property line with the Westover Place Townhomes, and New Mexico Avenue, NW. The Applicant is proposing a modification to the number of below-grade parking levels, by providing two rather than one level of parking - while maintaining the required 150 below-grade parking spaces, and imposing a prohibition on charter buses or motor coaches entering the East Campus property.

Consistent with 11 DCMR § 3129.8, the scope of the public hearing is limited and shall not permit the Zoning Commission to revisit its original decision.

PLEASE NOTE:

- Failure of the Applicant to appear at the public hearing will subject the application or appeal to dismissal at the discretion of the Commission.
- Failure of the Applicant to be adequately prepared to present the application to the Commission, and address the required standards of proof for the application, may subject the application to postponement, dismissal, or denial.

The public hearing in this case will be conducted in accordance with the provisions of Chapter 31 of the District of Columbia Municipal Regulations, Title 11, Zoning. Pursuant to § 3117.4 of the Zoning Regulations, the Commission will impose time limits on the testimony of all individuals.

How to participate as a witness.
