RE: Case #11-07 C, Minor Modification of AU Campus Plan

Dear Mr. Chairman:

I currently reside at Westover Place and, from the beginning of the East Campus Plan proposal, I have had a strong interest in the plan for building on this site. As such, I would like to register my comments regarding the Minor Modification request, Case #11-07C:

1. I support the University plan for the East Campus.
2. I support the University's plan to build a 2 level underground garage.
3. I would like to see the East Campus plan construction progress as quickly as possible so as to lessen the disruption to our neighborhood.
4. I support the prohibition of any bus parking on the East Campus.

I would request that the Office of Zoning approve the American University application as well as the prohibition of bus parking on the East Campus, which they have voluntarily offered.

Best regards,

Carol A. Wells
