Dear Mr Chairman

As a resident owner of a townhome in Westover Place that is adjacent to the wall with American University's East Campus plan, I felt it important to communicate my support for the recent modifications to this plan. This would be case 11-07 C

I feel that any delay would not benefit Westover residents – it should be completed as soon as possible

I support the 2 level garage with 150 vehicle parking spaces

I strongly support the prohibition of bus parking on East Campus

Ruth Drinkard Knouse, 4300 Massachusetts Ave NW – along the wall

Please accept this letter as support for the minor modifications to the American University zoning regarding the underground garage

Sincerely,

*Ruth D Knouse*
