Re: Case 11-07C (American University – Modification of Approved Further Processing Application)

I am Sheri Lanoff, President of the Embassy Park Homeowners Association. Embassy Park is a community of 90 town houses, located between Massachusetts and New Mexico Avenues, close to the East Campus of American University.

As regards Case 11-07C (American University-Modifications of Approved Further Process Application Order, the Board of Directors of the Embassy Park Homeowners Association has no objection to the modification.
