Chairman Anthony Hood
DC Zoning Commission
Case 11-07 C
AU Request for Minor Modification
Hearing Date: February 2, 2015

Dear Chairman Hood,

As a resident of Westover Place, I participated in everyone of the hearings at the Zoning Commission during the consideration of the AU East Campus. Now that it is over, I believe it is in the best for the community that the project be completed as early as possible. The project manager and head of community relations have been remarkably forthcoming and helpful in explaining things to our neighborhood.

I fully support of the modification to allow a two story below grade garage for the 150 automobiles, with the stipulation that no busses be allowed to park on East Campus.

I oppose any further actions which would delay the construction schedule of the East Campus.

Sincerely,

Thomas H Martin
