Re: Zoning Commission Case No. 11-08: Request for Special Public Meeting

Dear Chairperson Hood and Members of the Commission:

The Applicant would like to request that a special public meeting before the public hearing on October 27, 2011, be scheduled in order to take final action on the above-referenced application. Case No. 11-08 is currently scheduled to be placed on the Commission's November 14, 2011, public meeting agenda; however, there are stringent year-end deadlines that the Applicant must meet for the financing of this project. Final action in November will jeopardize the Applicant's ability to meet these deadlines. The Applicant does appreciate the Commission's time on this matter; unfortunately, there is significant risk to the project if final action is delayed until November.

Please note that the ANC has submitted a letter into the record in agreement with the Applicant regarding the residential permit program issue. Further, the Applicant submitted revised plans in response to the issue raised by the Commission regarding the windows on the northern façade of the building.

Sincerely,

Allison Prince
