## BIO

Chris is the Director of Campus Design and Planning at Gallaudet University. He oversees design and planning services and space planning for the University's capital improvement projects. Chris collaborates with campus constituents on long-range capital campus development and designs the University's High-Level Campus Master Plan. He is passionate about DeafSpace and educates others on this design approach that removes barriers from built environments for deaf people. He has advised businesses on DeafSpace, led tours at Gallaudet, and participated in related panels and presentations. Chris also enjoys mentoring aspiring future architects and interior designers.

## PROJECT EXPERIENCE

- Campus Plan Update
- Space Needs Assessment/Capital Planning
- Co-Chair for New Student Services Center
- Hanson Plazas Outdoor Improvements
- Fowler Hall Basement and 1st Floor Improvements
- Carlin Hall Renovation – Phase 1 Scope Definition and Design Narrative
