Dear Mr. Hood:

I attended the Ward 8 - Advisory Neighborhood Commissions meeting on December 15, 2015 at the 7th District Police Station and was thrilled to learn more about the Stanton Square project!

The 120 apartments, 42 townhouses in addition to the commons with Community of Hope and Martha's Table will be and added value to the community. I say this because of the projects ability to generate additional services for the community.

As a tenant of Fort Stanton Apartments for over 7 years, I am 100% satisfied with level of property management that Horning Brothers provided me in the past and am sure they will continue their level of success; therefore wholeheartedly support the vision for this project which seeks to combine for-sale and rental mixed-income housing with a community service campus.

If I can be of assistance in the future, please do not hesitate to contact me. Thank you in advance.
