Dear Chairman Hood:

I'm aware of Horning Brothers Stanton
Square Project that has 12 apt. and 42
Townhouse in addition to Marho's Table
and community of Hope Service for
Service, I believe that the null and
Health care offering will be very beneficial.

I have been a Resident of 21 years
Horning Brothers Property for over
21 years. I find that Horning Brothers
is an excellent property manager and
addresses the needs of residents.
I'm excited that they will be managing
the Stanton Square Project.
I'm supportive of this project and look
forward to it.

Sincerely,

Dolores Magruder
