Dear Members of the Zoning Commission:

Please accept the following items in support of the above-referenced zoning application:

1. a narrative describing the sustainable landscape elements for the proposed project;
2. a set of architectural drawings and images related to the proposed wall and weirs proposed along the eastern edge of the subject property; and
3. a set of architectural drawings and images related to the roof for Tower A of Building 1.

The narrative and additional drawings reflect the Applicant's recent discussions with the Office of Planning relating to the sustainable design features for the project as well as the use and design of the roof for Tower A.

Thank you for your considerate attention to this matter.

Sincerely,
