**Stronghold Civic Association Testimony for the Zoning Commission Limited Scope Public Hearing, Thursday, March 23, 2017, 6:30pm, re: issues remanded by the DCCA to the ZC in case 13-14 (McMillan development).**

The Stronghold Civic Association at its regular monthly meeting on Monday, March 6, 2017, voted to form a committee to draft testimony for presentation to tonight's Zoning Commission 'limited scope hearing' on the DC Court of Appeals remand of the McMillan case (case #13-14). The SCA further voted to authorize SCA President, Ms. Laura Jackson, to present the testimony, that was given final approval by the drafting committee.

Because a family emergency prevents me from delivering this testimony in person, I hereby authorize Ms. Katherine Young, a former SCA Vice President and long-time active member of the SCA, to present this testimony on behalf of myself and the Stronghold Civic Association. Please extend to her the same courtesy you would offer to me and the Stronghold Civic Association.

Thank you.

Stronghold Civic Association

Laura Jackson, President.
