Director Bardin:

Advisory Neighborhood Commission 1B will meet on Thursday, May 1, 2014 and will be considering the redevelopment plan for the McMillan Sand Filtration Site that was presented to the 1B Design Committee on Monday, April 21, 2014. The Design Committee voted to recommend that ANC-1B defer to the process established by ANC-5E, the commission of primary jurisdiction, to gather input from the community and adjacent ANCs and issue recommendations.

We are aware that the first night of the Zoning Commission's hearings coincides with the night of ANC meeting. ANC-1B is adjacent to the site and we felt it important to provide you an update of where this project is in our review and recommendation process.

Once the vote has occurred, we will formally provide an update to the Zoning Commission about the outcome.

Regards,

James A. Turner
