Re: Z.C. Case No. 13-14 – McMillan Sand Filtration Site

Dear Commissioners:

On behalf of Vision McMillan Partners, we submit the following proposed hearing schedule for the above-referenced planned unit development and map amendment case set down for a hearing at the Commission's January 27, 2014, meeting.

- | | |
|-------------|--|
| Hearing #1: | Master Plan, Open Spaces and Parks, Community Center (Parcel 6), and Transportation Plan |
| Hearing #2: | Multi-family/retail building (Parcel 4) and townhouses (Parcel 5) |
| Hearing #3: | Healthcare Facility (Parcel 1) |

Given the intense interest in the project by the community, the Commission may wish to consider including a fourth hearing night to accommodate additional community comment and rebuttal testimony, should the need arise.

Respectfully submitted,

Holland & Knight LLP
