

Dear Zoning Office,

I am asking for a competitive re-bid of the McMillan project as the DC Auditor has asked for, and as the DC law requires.

Being as this process has been deemed flawed by the DC Auditor and so many DC citizens also find fault with the integrity of the process and even the design I am asking for a competitive bid process to be held to overcome this questionable and atypical arrangement.

Let us do this McMillan Park venture right. At the very least I am asking that the Zoning Commission vote down case 13-14A until at least the DC Auditor's letter is responded to by the Mayor in a specific and meaningful way but we really need a competitive bidding process for the design of the project. Let's do it right.

Thank you.

Respectfully,
