Greetings Zoning Commission,

Please let this serve as notice that ANC5E remains in support of the PUD modification for Reservoir District Parcels 2 and 4. The Applicant has worked with the community to address the major concerns regarding the retail flexibility per their submission on 7/23. The Applicant has also thoughtfully addressed other community comments in their 7/21 submission.

This responsiveness reflects Jair Lynch Real Estate Partners' dedication to delivering an exceptional development for the Bloomingdale and Stronghold community.
