Dear Chairman Hood & Distinguished Members of the DC Zoning Commission:

At a regularly scheduled and properly noticed public meeting on September 8th, 2014, with a quorum being present (a quorum being 4), Advisory Neighborhood Commission (ANC) 6D voted 6-0 in favor of supporting the text amendment to 1803 of the Zoning Regulations, permitting more density and height for the western portion of The Yards development "Yards West" with the following provision ANC 6D strongly encourages the Zoning Commission to require units with more than two (2) bedrooms as a condition of this added height and density

Yards West consists of Parcel A, which fronts on M Street, S E, and Parcels F, G, H, I, which are south of Parcel A and between 1<sup>st</sup> Street S E and Canal Street SE. The property is zoned SEFC/CR Zone District.

Please contact me should you have any questions.

Sincerely,

Roger Moffatt  
Chairman, ANC 6D
