ZONING COMMISSION
District of Columbia
CASE NO. 14-10
EXHIBIT NO. 5

**ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF PUBLIC HEARING**

TIME AND PLACE: **Thursday, October 23, 2014, @ 6:30 p.m.**
Jerrily R. Kress Memorial Hearing Room
441 4th Street, N.W., Suite 220-South
Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 14-10 (Text Amendments to 11 DCMR (Zoning), Chapters 7 & 8)

THIS CASE IS OF INTEREST TO ALL ANCs

On June 20, 2014, the Office of Zoning received a request from the Office of Planning ("OP") requesting text amendments to Chapters 7 and 8 of the Zoning Regulations to clarify regulations pertaining to the proximity of animal related uses to residential areas. The OP Report served as the supplemental filing described in § 3013.1. At a public meeting on June 30, 2014, the Zoning Commission set down this case for a public hearing.

The proposed amendments address two main issues of adjacency:

- 1) Adjacency of animal uses to off-site residential uses. A separation of twenty-five feet would be required between the animal use and property in a Residence District used for residential purposes, and
- 2) Residential uses within the same structure as the animal use, such as in a mixed-use residential and retail building. As part of the special exception review, the applicant would have to document that the animal use would cause no noise or odors unduly objectionable to residential uses within the same building. This is similar to other special exception performance standards for uses which are also intended to not result in objectionable conditions.

In response to comments made by the Commission during its deliberations, the Office of Planning also proposes to amend §§ 738.2 and 802.27(a) to remove the prohibition against the boarding of domesticated dogs at Veterinary Boarding Hospitals. Doing so will conform these provisions with the Zoning Regulations that govern animal boarding uses (§ 735) and veterinary boarding hospitals in the SEFC/CR Zone District § 1803.16, neither of which prohibit the boarding of domesticated dogs.

The following amendments to the Zoning Regulations are proposed. New text is shown in underline and bold type and struck text is shown in ~~struckthrough~~.

Title 11 DCMR (Zoning) amended as follows:
