

Dear Zoning Commissioners

May 29, 2015
ref case # 14-11

Please Pass ZC 14-11 as soon as you can. It is necessary to bring common sense to zoning rules. Developers are building condos with three units and turning a small house into a huge monster that towers over the entire neighborhood. It is absolutely horrible and disturbing to see this happen to a lovely street and neighborhood. I have lived here since 1989. I loved it then, despite the crack selling. Now I hate what is happening with Pop ups.

42 W St was turned into 3 big condos. My friend lived at 40 W St next door. He could not live next to that huge building. His house was damaged and he sold and is now gone. I miss his company and as an older retired lady, it isn't easy making good new friends.

I hope you will pass this ZC 14-11 and implement it immediately. The future of our wonderful neighborhood of Bloomingdale is in your hands. Don't let it slip through your fingers. Please.

Sincerely,

Lynnda Butler
