The Brookland Manor Vision

A great place for existing residents and new residents

- *Engage with our neighbors through careful listening and discussion*
- *Design a beautiful public realm using best practices in urban design methods*

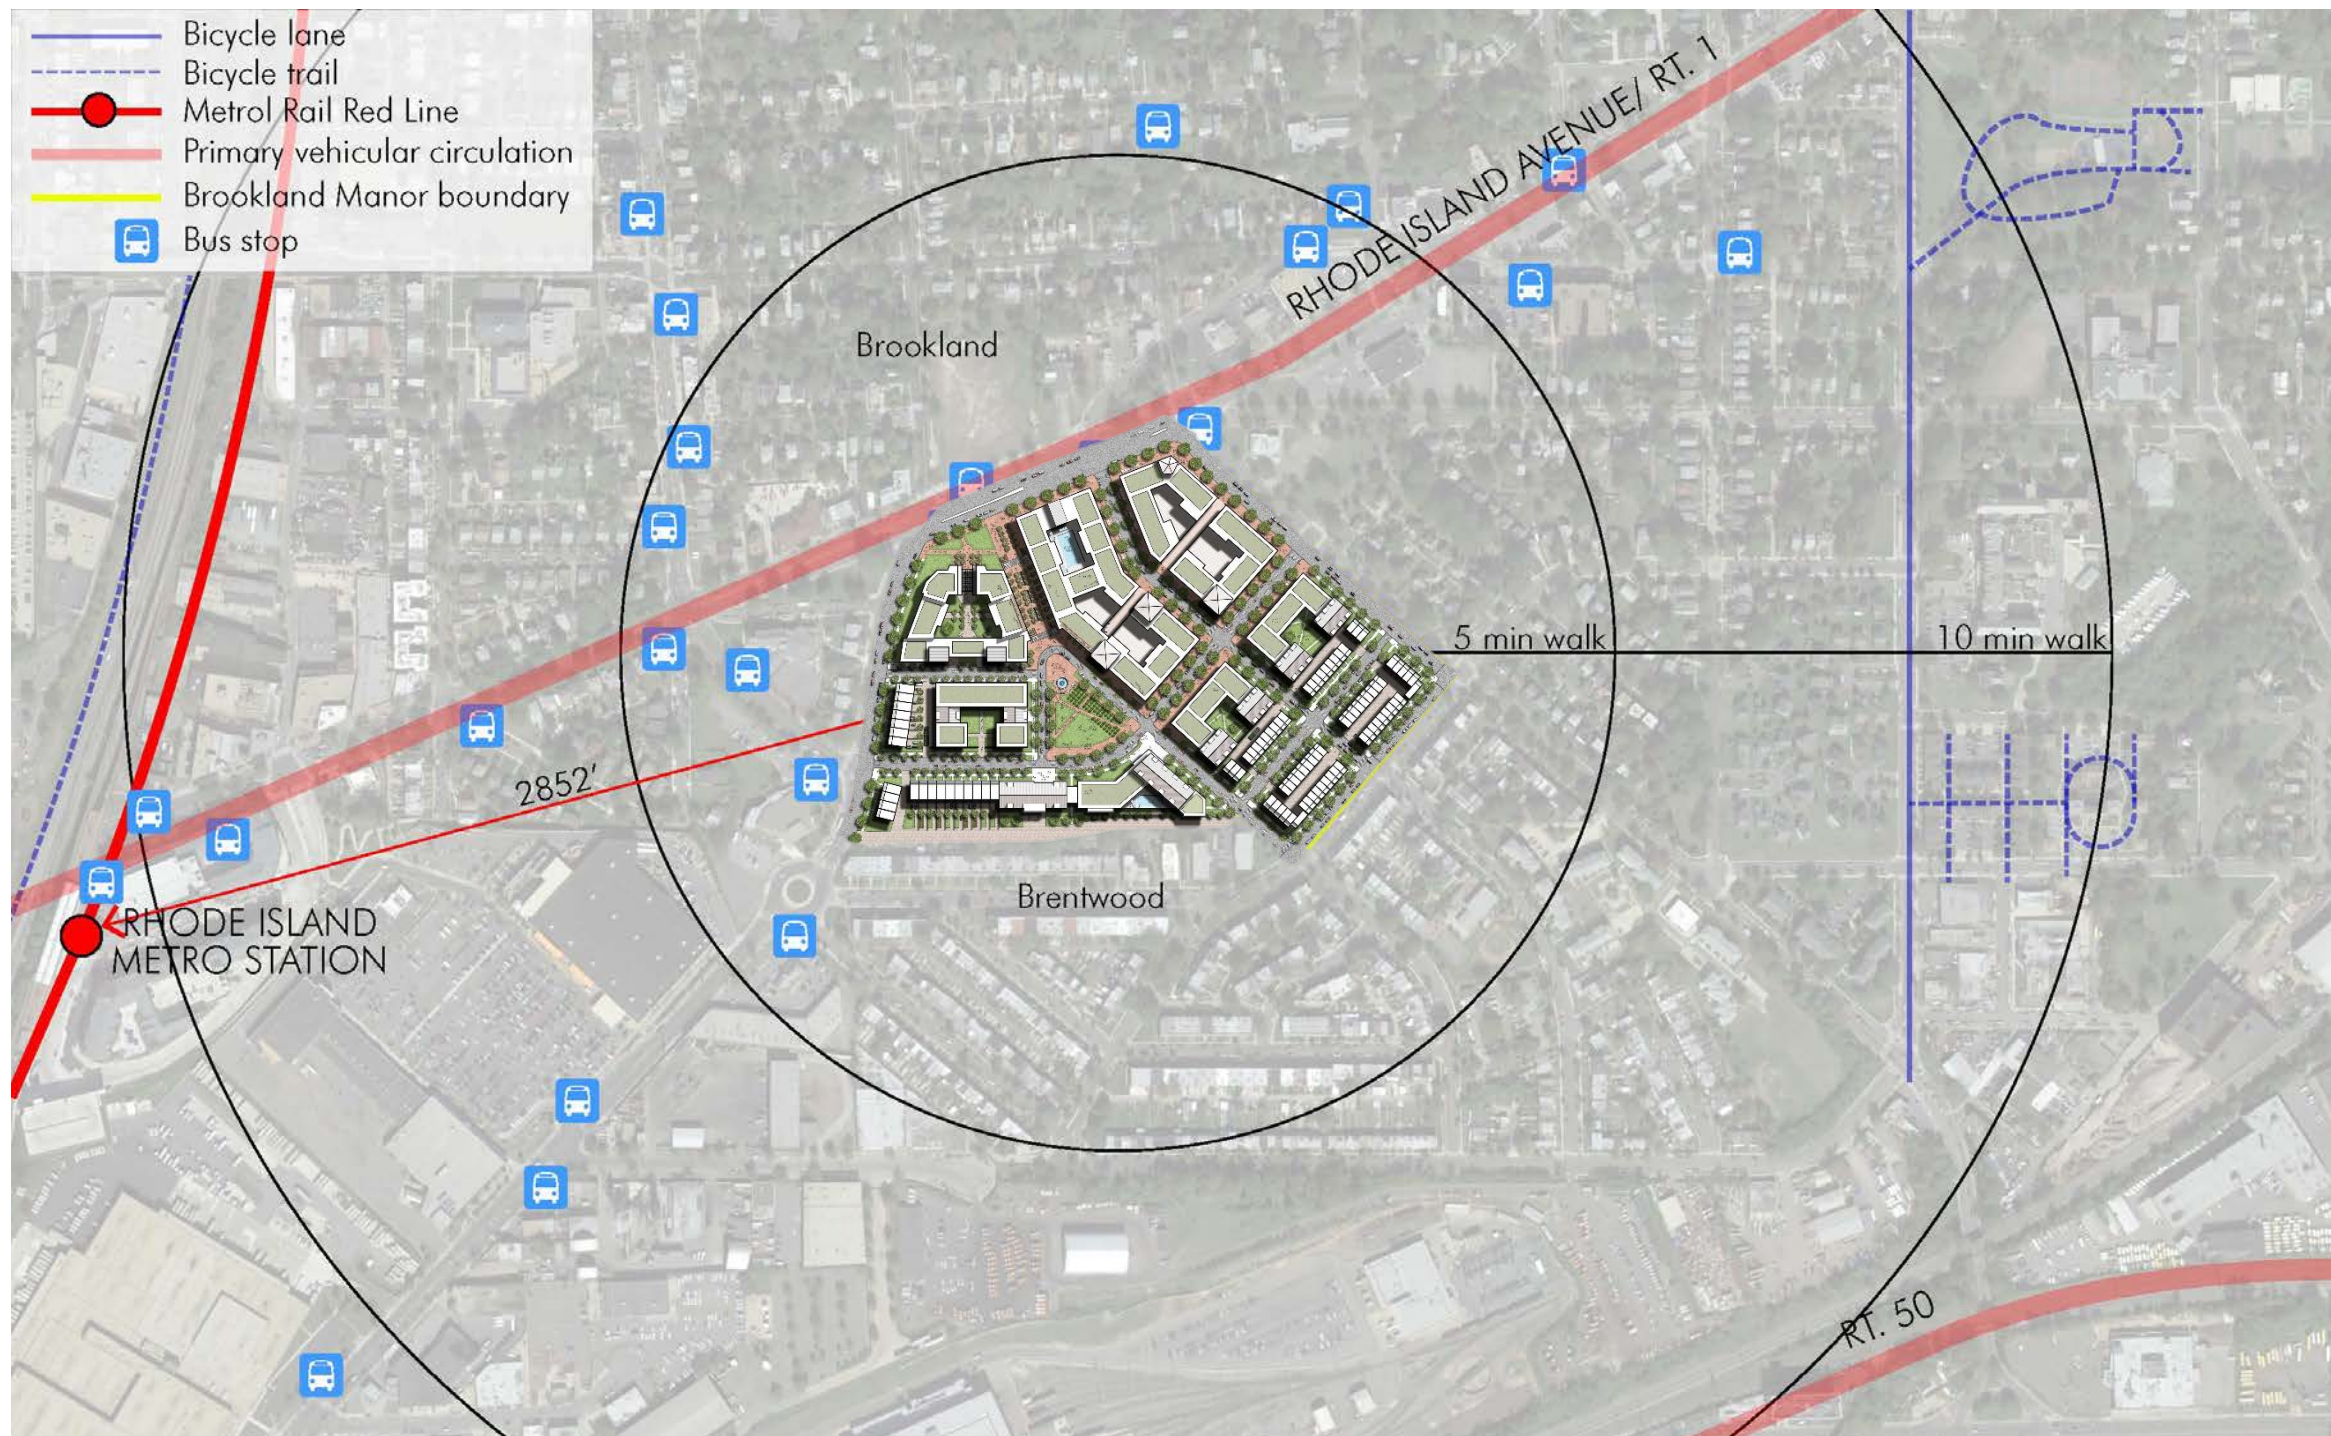

Affordable Housing as a significant part of the project

- *Utilize a variety of affordable and market rate housing types*
- *Include Section 8 subsidized, work force affordable and market rate units*

Connect and integrate with the broader community

- *Create a new center for neighborhood activity*
- *Make walkable and safe streets, parks and open spaces*
- *Mix uses for the benefit of all generations, residents and neighbors*
