Hello,

I am writing about the proposed RIA development in Brentwood. I FULLY support this development and would like for it to happen as soon as possible. I along with the other homeowners in my condo building purchased our property in this area with the expectation that construction would be beginning this year. We are looking forward to a safer neighborhood, shops, restaurants, and appreciation of our homes!

Please let me know if there is anything that I can do to help.

Thank you.
