To whom it may concern;

I, Jasmie Jordan, was relocated from my previous residence due to the increased crime on my former street (14th St) .Since public parking has been ceased; there has been a tremendous decrease of crime, drugs, and violence. With the onset of the new parking structure and neighborhood changes, there have been little to no criminal incident at my current location, Saratoga St, and I have only experienced peace and quiet. In anticipation of a healthier living environment and more gentrified culture, upon the completion of construction, I would greatly appreciate the opportunity to continue to reside with the complex.

Best,
