Ms. Minnie Elliott
Brookland Manor Tenants Association

Dear Ms. Elliott:

We are in receipt of your letter dated August 16, 2016 and emailed to us earlier today.

Both the owner of Brookland Manor and its property manager are aware of their rights and obligations under the District of Columbia Right of Tenants to Organize Act, with which we have complied in the past and will continue to do. The description of events in your letter is not consistent with our understanding of what occurred, but we will speak further with the courtesy patrol which services Brookland Manor to make certain that its employees understand what is to be permitted and not permitted with respect to persons entering onto the property.

Thank you very much for bringing this matter to our attention. Please call me to discuss this if there are further issues or concerns.

Sincerely,

Michael S. Meers
Executive Vice President
