Testimony

I am Ms. Goddess JOANN L. Adams, there are many reasons why both owners Mr. Ford Sr. & Jr. are not entitled to demolish or remodel, here are several: I am a holy god who is license as the highest god & ruler & spiritual police, by notary public, he has no respected for my credentials & superiority over his, I am his superior & all democracy officials superior, my human rights & familial status & my heir rights from my father Jehovah who created this world, I legally own the system, earth, and universe on notarize documents by notary public, proven I am one of the righteous soul who is entitled to all he created & my partner James C. Coleman. I have more authority over all say in all decisions, you black soul democracy officials have no respected & none of you have respected legally, I am sitting higher in position over you to be your ruler. Owners, you are greedy swindle & embezzler business men in business now to make money & not help people who need a home no matter what class of income. You violated my human rights & authority illegally, you do not live by laws, I am entitled to zero balance no rent & all resources are free for a royal righteous god in my human rights, I have report rapercrimus that live on your property from 1996-2015, you & democracy officials chose not to remove it to live in my garden.

tion, because I live holy + to take from two people who wants to live righteous. First Crime: my oral mentality can be heard at all t.v. + radio studio's world wide, my thoughts + oral conversation, airborne. Second Crime: All black souls in heaven's + on earth are immortal's, you use your immortality power to watch me with your immortal eyes, to steal wealth, education, talents, upgrading, skills, spiritual growth, etc, to live on a holy soul + to take from two souls illegally. You allow dolphins + others to live in my life to defend me out of life, I put up with malicious + treacherous rape assaults, verbal + physical assaults done 7 days + 24 hours around the clock with witch crafted + my soul is bewitched by the dolphins, this is not my original soul, also they are thefted, steal my personal possessions + money, they hibernate in our bldgs + violate our secure locked bldg door's with illegal open, vandalize our property + invade our home with their immortal eyes + violate our lease laws + are trespassors always on our property + jack vehicles in our neighborhood, put graffiti on our sidewalks + bldgs, with all these illegal wrong, how can you say owners, you have the right to take + not even ask us do we want to purchase our bldgs, we have first right to purchase or help us to understand our human rights in the tenant survival guide, if you decide to demolish or opt out, you are to offer sell to us or third party, I ask for this property, you owe liability for allowing this crime to live here deliberately to compete + defeat + to become bigger souls on wisdom + wealth. With this insight on you, you + democracy officials are the blame for criminal activities, your not entitle to this property to do nothing. Judges, lawyers

polices, politician's, news reporter's, other work
sector's around human rights & discrimination laws
& human resources, non-profit organization refuse
to help me remove these rape crimes, because black
souls think they are to live fabulous while stealing
white & black education with immortality power,
to stay around forever & never be dead for their sins
& thefted, you do not own righteous or unrighteous
or immortality power, black souls are insignificant
& has no value, your not worth a penny, you will
earn a penny per hour, when its time for you to
repent for both. I am looking for Mr. Ford Sr. & Jr.
to legally give documentation that I am owner of
Brookland Manor Apts, by June 2015 or boiling
in water for six months & continue until he release docu-
ments, you keep receiving finances until I become an
immortal, owner & democracy officials remove dolphins.
I am judging & prosecuting & persicuting all
unrighteous soul who chose black living, don't forget:
I wrote rules & all better obey all rules I created around
your racist remarks, actions, ignorance that you keep
practicing. I am leaving documentation of all I
gave owner's, Picture Licenses, God's Human rights,
my police report on all three rape crimes, letter's
request ownership on property & ask for zero balance on rent,
document notarize to protect James & Johanna right's to
use legal weapon's over enemies now & later who assault
us for hate purpos's, letter's I wrote President Ob-
ama & Council member Kenyon McDuffie on crimes &
credentials & human rights, hind official's has help
owner to keep cheating & digging my life, owner,
you prove you do not live for laws, morally, publicly, il-
legal laws, traffic laws, human rights laws, you at - pg 3

low criminal & immoral activities live on your property deliberately, I am charging for all violations on property, whether by residents, employees, owner, trespasser. Where is Ms. Adams + Mr. Coleman going to be rulers over all? When will all give respect that you not higher than a god, because you can use wealth + higher wisdom to be mischievous to be inhuman, now rich is telling poor we want you dead. No one ask me can I protest for a holy god not to be discriminated by all black soul haters or make laws to protect a holy god human rights from racist souls. Big embezzler men do not touch Barry Farms homes or owner of any property for greedy purposes for wealth. All you who chase after wealth show you are greedy souls or immortality power to take from all. Mr. Ford own 39 properties or more + the only reason why he want this property, because I want it for liability for hatred for my soul, he said, 2017 is when he will give notice, so let him send a contract to sell or honor me as the owner, when is the rich going to stop spending all my money insane, dolphin's better lay down + die in April 2015, remove them owner + all democracy officials who are responsible, now work sector is set up to steal from poor + kill us, while rich keep living, non-profit organization is set up to help rich get rid of poor, because all live for wealth, to not help those in need to help their self, all figure because they have the education, the money, computer titles + authority, to run over all of us, the system is set up to help you help your self, now it's who is the most intelligent, the most attractive, the most wealthy, the most skillful, the most talented, none own fantasy forever, you chase us holy to live for, all are a parasite, a predator to all of us. This world came into create be-

cause of holy at the beginning to the end, you watch her grow up. We have homosexual witches that live in heaven, on earth, all live for high titles right now and if one day you can't use immortality power to do nothing on black or white, without the power you are nobody, you think your fancy pays for black & white, but it doesn't. You, boast while you lie, cheat, steal, be corrupted, on power, dolphins think they are everything while they live on "power", work at our public works, think they are entitled to everything, all they are, are aliens in U.S.A, not in the system legally. I am disable, I have a sleeping disorder & other health diseases that came from them, 18 scums & sluts. Same people who live higher, is the same people who live lower, you all do the same immoral acts. You are fake & phony with your physical appearance all soul & you all steal & cheat to have high position to take over with riches. I do not want you to leave dolphins to stay & stalk, to beg for my holy anus to be a homosexual & use their tip of tongue & use movement & pressure pain on anus & pass rape gas. The owner & had ask me to pay rent while I get raped & privacy invaded, why don't had pay the entire rent, since it should be a zero balance. Again this is my earth & system, I should be controlling it & not rich, I say owner no more rebuilding on my earth, its my system, I say no he can't do it! I gave the board members these legal documents & they acted as if I gave nothing important, jealous. I ask Mr. Obama to bring economy down for all evenly.

Sincerely,

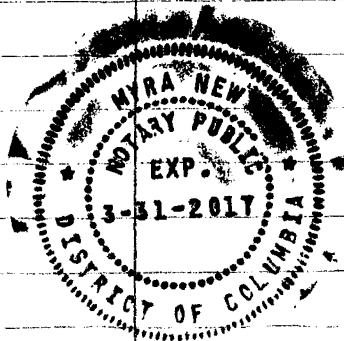

Mrs. Hodder JoAnn L. Adams 3-16-15

PS. I have documents that show owner tried to evicted with a lie with paragraph 13 on lease agreement, it show the owner's maneuver + manipulate illegally. I have myself legally on documents from their lawyer. All Federal + District Government officials + Owners show they are very offensive against righteous living. That's why the government + owner's + employe's shine racial heat to not sufficient with respected with the system. I will show legally the owner is to offer sale when he says I want to demolish or opt out or sell to residents or third party. Every six months our security deposit is to multiple monthly. These documents I have written are true + getting a notary public show it is true + I want what is written to take place + go in process as written. If I find the commission doesn't honor my legal documents, like all officials with black racism, you will be prosecuted + persecuted like the dolphins, officials put this crime here to keep me a small person, if you pretend it's not here it is, put it here for all black souls to steal money + become big titles + steal from me + poor souls. I live on \$23.64 a day from my S.S.I. disable income. I want the deficit + economy to come down for all employer's + employe's to receive \$5.00 to \$9.00 hr. for employment. You all are stealing too much money from high salaries, not enough money for humane around housing, transportation, child care, welfare, etc. I use discretion if you are dishonest commission, to protect my soul, I promise if dolphins are not gone April 2015 everyday is 54 yrs in fire if they are still around come May 2015, put them in jail or make them pg 6

live normal to not disturb my life with witch
crafted. Empower DC + One DC better created a
law that protected a holy god + her partner to not be
discriminated by black soul's racism, to keep
two souls from living high + not be kept for ex-
tortion + hate. Politicians are the blame why bus-
ness owner's are big financially, they live for a
materialistic luxury life, ask for poor soul's to
pay for their high life, instead of the living a ri-
ghteous life. I want my partner James C. Cle-
man to immortalize my soul to become an immortal
to be complete. Mr. Michael Meer call us to
meet the residents to announce their moving plan's,
to tell us they want Brentwood Shopping Center from
business owners, he show he has moved extremely,
I wrote owner's a gains gave two documents to
Mr. Meers asking him to stop. Really witches
shouldn't exist, you really don't look like a real human
without immortality power. All you owe me money
for this crime you live on + the power that make you
who you are. Please call me on decisions.

P.S. I have pictures to prove he allowed residents & 5th District Polices & this management to let unlawful acts take place on his property from loitering, loitering, vandalizing, drug contents on his grounds, drug dealers, prostitutes, pimps, pin handling, drug addicts, trespassers, gangsters, push illegal wrong & violators of lease, if stayed this way from 1996-2015 & longer before I moved here. I Pin down Wm. C. Smith Co. property nothing ^{like} this I describe happened, He prove he is unfit to be a landlord, I described him a scumbag stuck who is very rich, because he allowed all this wrong to take place. I have pictures I have attached to this testimony on property & my assailants who hate me every day with physical assaults, tried to include all I can, but the owner prove he has no respect for none of our life, he put up a black gate to keep drug dealers from using 14th St & Saratoga Ave. N.E. to see cape polices who trace, he hired SPO polices & have a camera that capture every wrong, neither protects our life. Dolphin's stay around me all day & go everywhere I go in disguise to steal money & play role's in public work as a bus driver & train driver & police's & do data entry work & steal out of machines & shop lifted with immortality power & steal my & our people personal possessions, even work for the owner & come to our resident association meetings like they are our family. Make sure the president make my human rights laws & make sure he'd stop letting the owner ask for an increase every year, all this wrong live on his property, I will see if reality or unrealistic comes first. Dolphin's are power wish, power transform, power everything. pg 8

To Whom It May Concern:

I gave legal notarize documents To Ms. Minnie Elliott between 2005-2008, I gave Photo License I.D. - Notarize document From 2002 - Eternally, my human rights as a god - Its notarize documents, a "live aired" rape crime on three different types of rape crime - its notarize, 2 times I gave this information. I gave all about information to Ms. Loretta Washington, Stole copies of Photo License I.D. to give each member a letter to all board members to share a rape ^{crime} lies on property & no individual as a resident want to be a witness to remove it & its been on property for 1 years, since Feb 1, 1996 - Oct 29, 2014, To share insight on my credentials & letter to all board members to know about the wrong & that I am asking for property for liability, I ran for President June 30, 2015, three won & elected for board member, all votes even, I told Ms. Elliott I wanted to be a president, because I am tired of her opposing me & going in opposite direction. I am the highest out of the three elected, Goddess J'Ann L. Adams, Minnie Elliott & Loretta Washington, we never sat to say who will be president, both told me they wanted me to take notes & record information, both boycotted me out of being a President without cause, I am license as the Highest God & Official, as a god, ruler, spiritual police. Ms. Elliott as boot legged president from 2001-2016, ran one time, has been that too long, second vote June 30, 2015. I do not want to see Ms. Minnie L. Elliott or Ms. Loretta Washington & no other board pg. 1

back as a board member, all residents oppose
me living righteous, being someone out here on height.
All have seven senses & all see, hear, ac-
knowledge this crime is real & all live on my mind
behind my back to cover my education & they should-
nt want to be superior than me. They watch me
get raped invisible by immoral people everyday.
I watch them tear down my mental/physical state.
I oppose a development & they don't, I told them
I want this property for hate rape. When I get
these documents notarize it gives me authority
to waive their rights not to return to come back as
a board member, anyone who support the owners &
any other residents, to demolish this property or
change its appearance. All Brookland Manor Apts
residents care about is been a rapist deliberately.
One board member needed, its Mrs. Goddess Jo-
Ann L. Adams as a President. No one has
respected for lease laws, human rights, that
live wrong at Brookland Manor Apts.
