Definition of symbols in "Change" column:

- ↓ Decrease in the number of crimes reported compared to the prior time period.
- ↑ Increase in the number of crimes reported compared to the prior time period.
- ↔ No change in the number of crimes reported compared to the prior time period.

Note:

- This report and accompanying maps only include offenses where MPD has provided map coordinates that can be displayed. Since 1/1/2008, this limitation excludes 9446 out of 326553 total crimes (approximately 2.89% of the data).
- The ability to view the map is removed if there are more offenses than can be reasonably displayed on the map.
- The city-wide, year-to-date homicide statistics include the 12 victims of the Washington Navy Yard shooting incident that reported on September 16, 2013. Those numbers are also included in the appropriate District and PSA location depending on the selected parameters of your search.
