Letter of Support

As a resident of Brookland Manor, I would like to express my strong support to the Zoning Commission for the construction of the new Seniors Building and the new Family residential building that are being proposed for Block 7 (ZC Case No. 14-18A). I have reviewed the plans for the two new buildings in Block 7 and I believe that they will be great additions to our neighborhood and will set a very high standard for the architectural quality of the new RIA community.

I also want the Zoning Commission to know that the management of Brookland Manor has been very good about letting us know what it is going on with the future of our community.

I am excited to see the redevelopment plans for our new community move forward, and I look forward to the future development phases occurring as quickly as possible. Thank you for your attention to my comments. I hope that you approve the proposed Block 7 project because I believe that change will be good for this community.
