RE: ZC 14-20

Dear Chairman Hood,

This is the response of the Capitol Hill Restoration Society (CHRS) to the proposed map amendment for certain lots in Square 1070. CHRS agrees with the Office of Planning's setdown report of November 28, 2014, and strongly supports the map amendment.

The Comprehensive Plan that that 15th Street be rezoned R-4. This map amendment only fixes a small portion of 15th Street. CHRS requests that the Zoning Commission rezoned the balance of 15th Street R-4 as envisioned by the Comprehensive plan.

Respectfully,

Gary M. Peterson, Chair
Capitol Hill Restoration Society
Zoning Committee
