District of Columbia Board of Zoning Adjustment

, Text Amendments, Walter ReedBZA Case #14-22

I attended the LRA meeting where Ms. Davis of Hines-Urban Atlantic presented their proposal for the Walter Reed property.

We were quite impressed with the design and how it respected the surrounding neighborhood area as well as the geography of the site. It will be bringing much needed commercial and residential development to the area, including housing for veterans and seniors..

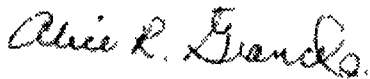

As thirty-four year residents of Takoma, DC, my husband and I wholeheartedly support this proposal.

Sincerely,

Alice and Tony Giancola
