THIS CASE IS OF INTEREST TO ANC 5E

On February 3, 2015, the Office of Zoning received an application from MHI-Brookland, LLC and The Redeptorists (collectively, the “Applicant”) requesting approval of a consolidated planned unit development (“PUD”) and a PUD-related map amendment to facilitate the development of Square 3645, Lots 802 and 804, Square 3648, Lot 804, and Parcel 132/89 for residential use. The Office of Planning submitted its report in support of setting the application down for a public hearing on June 18, 2015. On June 29, 2015, the Commission voted to set down the application for a public hearing. The Applicant provided its prehearing statement on August 21, 2015.

The property that is the subject of this application consists of approximately 119,215 square feet of land area. The property is located in the southwest corner of the intersection of 7th Street, N E and Jackson Street, N E. The property is located in the D/R-5-A Zone District and the Applicant seeks a PUD-related map amendment to the R-5-B Zone District. The property is located in the Institutional Land Use category on the Future Land Use Map of the District of Columbia Comprehensive Plan.

The Applicant proposes to develop the property with 39 residential townhomes, 13 homes will be located to the north of the Holy Redeemer building and along Jackson Street while 26 homes will be provided to the south of the Holy Redeemer building and west of 7th Street. The existing Holy Redeemer building will remain. The new townhomes will consist of a total of approximately 83,000 square feet of gross floor area and will have a maximum height of approximately 48 feet. Forty-eight parking spaces will be dedicated to the townhome development. In total, the project will have a floor area ratio of .95, which includes the existing Holy Redeemer building.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.
