Re: Zoning Commission Case No. 15-02: Supplemental Submission

Dear Chairman Hood and Members of the Commission:

The Applicant requests a waiver from Section 3013.1 to submit the enclosed Comprehensive Transportation Review (“CTR”) into the record for the above-referenced case. This report was initially submitted to DDOT on September 22, 2015, which is consistent with Section 3013.10. The report was subsequently revised to incorporate preliminary comments received from DDOT. We now submit the revised CTR into the record for the Zoning Commission case.

Sincerely,

Christine Roddy
