Re: Case No. 15-03- 1315 Clifton Street NW

Dear Chairman Hood and Members of the Commission:

I am a current resident of 1315 Clifton Street NW. I have lived in my apartment for 24 years. All residents were offered the choice to return to the new building at the same rent. I chose to return to the new building because I have lived here a long time and really don't have a desire to live elsewhere. Not to mention that the rents in this city are astronomical to say the least.

This project will be a great benefit to the block and the neighborhood, and I am happy that I will be able to live there. The project will bring a renewed sense of safety that you cannot put a price on. Along with increased security, all amenities in the building will be renovated creating the best living space and atmosphere as humanly possible.

I urge you to approve this project so that a new home for my family and others like us can be built.

Sincerely,  
(Name) Earlene F. Bowe
