Re: Case No. 15-03- 1315 Clifton Street NW

Dear Chairman Hood and Members of the Commission:

I am a current resident of 1315 Clifton Street NW. I have lived in my apartment for 3 years. I have chosen to take a significant buy out that will benefit my family. I chose to take the buyout because the money can help my family and I live a better life. This added income will grant my family added liberties that previously did not exist.

I owe Aria for the opportunities that they created for my family. I hope they receive the same kindness that they have displayed to the entire neighborhood.

Sincerely,
(Name) Yosief Lemma
