Re: Case No. 15-03- 1315 Clifton Street NW

Dear Chairman Hood and Members of the Commission:

I am a current resident of 1315 Clifton Street NW. I have lived in my apartment for 2 years. I have chosen to take a significant buy out that will benefit my family. All residents were offered the choice to return to the new building at the same rent. I chose to take the buyout because it will benefit my family. My family was in need of financial security and Aria came to the rescue by relieving some of the stress associated with supporting a family.

I cannot thank them enough for what they did for me and urge the committee to approve their project.

Sincerely,  
(Name) MERON NEGEW
