Re: Case No. 15-03- 1315 Clifton Street NW

Dear Chairman Hood and Members of the Commission:

I am a current resident of 1315 Clifton Street NW. I have lived in my apartment for 3 years.

I chose to take the buyout because we need the money for our children and family back in our country. This will allow us to help our family members, especially our grandparents and aunt who are sick. This will also allow our kids to prepare for the future by providing them with an education, and God willing, a house in our country in the future. The money will help us.

Without Aria I would have never had the ability to care for my loved ones and for that I am forever grateful.

Sincerely, Milagro Gutierrez
