Re: Case No. 15-06, Center for Hellenic Studies, 3100 Whitehaven Street, NW, Application for Approval of a Campus Plan

Dear Chairman Hood and Members of the Commission

On May 4, 2015, ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight of eight commissioners, constituting a quorum. At this meeting the Commission unanimously adopted the following resolution

ANC 2E has no objection to the Campus Plan proposed by the Center for Hellenic Studies

During the discussion of this application, we noted that the proposed buildings and improvements occupy a relatively small portion of the site, that the property is well screened by trees and other foliage, that the on-site activities generally involve academic pursuits by a relatively small number of people, and that we are not aware of any objections by neighbors.

We trust the Commission will give this resolution the "great weight" to which it is entitled under District of Columbia law

Commissioners Solomon, Lewis, Jones, Clausen, Starrels, Birch, Roaché, and Howard, or any one or more of them are authorized to act for ANC 2E on this matter and any matter that may come before the Commission relating thereto

Sincerely,

Ron Lewis
Chair, ANC 2E

COMMISSIONERS
