FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 15-07 (MRP Residential – Consolidated Review and Approval of a Planned Unit Development)

THIS CASE IS OF INTEREST TO ANC 6C

On March 19, 2015, the Office of Zoning received an application from MRP Residential (the “Applicant”) requesting approval of a consolidated planned unit development to facilitate the development of the property. The Office of Planning submitted its report in support of setting the application down for a public hearing on April 10, 2015. On April 27, 2015, the Commission set down the application for a public hearing. The Applicant provided its prehearing statement on June 2, 2015.

The property that is the subject of this application consists of approximately 14,485 square feet of land area and requires relief from the minimum area requirements of § 2401.1(c). The property is located on the south side of H Street, N.E. between 3rd Street and 4th Street, N.E. The property is located in the C-2-B Zone District of the H Street Overlay and housing subarea. It is located in the medium-density residential and moderate-density commercial land use category on the Future Land Use Map of the District of Columbia Comprehensive Plan.

The Applicant proposes to develop the property with a 90-foot residential building with ground-floor retail. The building will include approximately 80,500 square feet of residential development and 6,160 square feet of ground floor retail. The project will include approximately 125 residential units, including over 6,500 square feet of affordable housing. The project will have a floor area ratio of 6.0 and include approximately 29 parking spaces. No map amendment is proposed in connection with this application.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony are described below. Written statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.
