Re: Case No. 15-07: Supplemental Materials

---

Dear Chairman Hood and Members of the Commission:

The Applicant submits the attached plans into the record in a sign of good faith to the ANC that it is committed to the attached proposal. The Applicant is meeting with the Planning and Zoning Committee of the ANC on September 2, 2015, which is before the Applicant's supplemental submission is due to the Zoning Commission on September 18, 2015. Accordingly, in an effort to assuage any concerns that the Applicant will present different plans to the Commission on September 18, 2015, than it presented to the community on September 2, 2015, it files the attached plans into the record for Case No. 15-07. The Applicant will continue to refine the plans for its September 18<sup>th</sup> submission and it will supplement the plans with additional renderings and perspectives; nevertheless, the refinements will only add detail to the plans and will not include any substantive changes. In no event will the massing or the proposed setbacks depicted in the attached plans be modified.

Sincerely,

Christine Roddy
