To whom this may concern,

I am writing you to let you know I support the compromise in exhibit #136 on the proposed zoning map amendment to Lanier Heights.

I feel this compromise would address all the concerns of the current proposal, preserve property rights for owners, allow this area to be future-forward, and help us avoid the San-Francisco-ization of DC.

Furthermore, I think it's worth mentioning that several prominent writers in the urban space from publications such as The Week* and City Lab** have disagreed with this decision for many well thought out reasons. I urge you to consider the opinions of other experts on this issue in addition to your own extensive expertise.

Thank you,
Chris Montwill
