Subject: Case 15-09

To Whom It May Concern:

In the interest of fairness to the large percentage of residents who did not support the zoning change, **I support the compromise in exhibit #136 on the proposed zoning map amendment to Lanier Heights.**

In addition my wife and I have lived here for 39 years, and the downzoning has made our row house, which sits on a 16 foot wide lot, a nonconforming structure.

Sincerely,

Robert J. Corcoran
