Subject: Lanier Heights Owner in favor of compromise

Dear Commission Members-

I have lived in Adams Morgan since 1998 and have been a home owner on Lanier Place since 2008.

I love the neighborhood and I want to share it. Moreover, I know that adding housing in my neighborhood is one way to avoid displacing poor people in other neighborhoods.

I support the compromise proposal that leaves open the possibility of home owners using the room to build they had under R-5 designation.
