Hello, Donna -- I am a resident of Lanier Heights. I am contacting you to register my support for R-4 rezoning of Lanier Heights. I believe in reasonable growth for this neighborhood; however already there is over-growth. The streets are becoming crowded; parking is a problem; and the beauty of this historic neighborhood is being-- in many cases-- destroyed by the erection of white clapboard 'pop-ups'---waaay above the historic roof line of the turrets of the neighborhood's lovely and historic row houses. I believe there should be containment; preservation of what we have, along with moderate development. This is not happening, and we need zoning controls ASAP before any further damage is done. I support reasonable growth with the healthy balance of apartments and row houses that we now have. We cannot accommodate additional housing. It is my understanding that the comprehensive plan support rezoning of Lanier Heights, and I support that.

Sincerely,

Penny Engel
