Subject: ZC Case No. 15-09; Refutation of Claim Made by Christopher Montwill

Dear Ms. Schellin,

I am a Commissioner on Advisory Neighborhood Commission 1C, and I served as the Chair of ANC1C during the period when the Lanier Heights re-zoning proposal was being considered by ANC1C. It has been brought to my attention that one of my constituents, a Mr. Christopher Montwill, has submitted written testimony to the Zoning Commission for the Lanier Heights re-zoning application (ZC Case No. 15-19). In Mr. Montwill's letter (now reflected as Exhibit 29), he alleges that I required those submitting petitions to ANC1C to remove the names of residents who live in converted rowhouses. This allegation is utterly false. Our Commission accepted petitions in the exact form that they were submitted to us by any interested residents in the case. We also took oral testimony from all residents who wished to speak at a well-advertised and well-attended Special Forum that we convened to consider this topic. Upon challenging Mr. Montwill directly, I received a message from his partner, Mr. Andrew LeBoeuf, indicating that they will be submitting a corrected statement to the Zoning Commission. I hope that they do, but wanted to ensure that my voice was heard directly as well. Please include this message in the official record.

Sincerely,
Billy Simpson
