Subject: SUPPORT FOR 15-09

My name is Helene Diener. I have been a resident of Lanier Heights for 30 years, on Lanier St NW and Ontario Rd. NW. It would be an outrageous environmental ruling if the commission doesn't support 15-09. We already have three new highrises in a three block radius. We are blending the new and old, however, contractors are coming into the area, boxing people into their row houses so they have no light. These pop-ups add extra stress on the water and waste and parking.
