Re: Deanwood Hills, LLC (ZC Case No. 15-10) / Updated Application Plans

Dear Members of the Commission:

We respectfully submit this electronic copy of the comprehensive set of the updated architectural drawings for the above-referenced zoning application. Hard copies of the plans will be distributed at the public hearing.

The updated set of drawings reflects the following changes:

- G09, G11 – Update to number /percentage of standard and compacts to increase accessible spaces, corrected building height
- A01-A05 – Updated plans to reflect parking revision and corresponding changes to landscaping
- A06-A07, A09 -A11 – Minor update to window configuration on east and west façade, corrected building height
- A18 – Material board updated to coordinate with actual samples
- A19 - Updated plan to reflect parking revision, increase in bicycle parking from 50 to 78 spaces and addition of bike repair station at basement level of building.

Thank you for your considerate attention to this matter.

Sincerely,

Leila M. Jackson Batties
