Re: Zoning Commission Application No 15-11
SQ700 Trust L.L.C.

Dear Members of the Zoning Commission

The Applicant requests the Commission's acceptance of its post-hearing materials that were submitted yesterday per the Commission's request at the conclusion of the June 25 hearing in this matter. The materials were received yesterday by the Office of Zoning, but unfortunately not before the Office officially closed at 5pm. The Applicant regrets any inconvenience caused by its late delivery and requests that the Zoning Commission accept the materials into the hearing record as part of the Commission's consideration of this application at its July 27th public meeting. The Applicant has delivered copies of the post-hearing submission to Advisory Neighborhood Commission 6D and the Office of Planning.

Thank you for your consideration of this request

Respectfully submitted,
HOLLAND & KNIGHT LLP
