Statement of Support

I, Sara Reid, am writing in support of the text amendment to allow Expanded Child Development Homes for up to 12 children. My name is Sara Reid. I am a parent living in Ward 5. My child/children attend(ed) Estrellitas Child Development Home & Center for 4 years. Currently, their home program can care for up to six (6) children, but this change will allow the program to have up to 12 children.

This is a very important step because this expansion will allow additional children the exposure to Montessori style child care in an intimate and comfortable setting.

My first child was part of Estrellitas home care and I am looking forward to placing my second child at the same place under the same wonderful care this center provides.

I am confident that Estrellitas can grow and still provide the same quality care and level of attention to all children.

Sincerely,

Sara Reid
