Statement of Support

I, Kathryn Roberts, am writing in support of the text amendment to allow Expanded Child Development Homes for up to 12 children. My name is Kathryn Roberts. I am a parent living in Ward 4. My child/children attend(ed) Estrellitas Child Development Home & Center for 2 years. Currently, their home program can care for up to six (6) children, but this change will allow the program to have up to 12 children.

This is a very important step because Estrellitas is a wonderful place for learning. My daughter has blossomed in its very caring environment. Both the administrative and teaching staffs have created a nurturing, family-oriented environment for all. Allowing greater capacity will allow more families to benefit from this wonderful experience.

Young children have an amazing capacity to learn multiple languages. I am sincerely awed that my 3-year-old can speak Spanish fully at school and English at home.

Sincerely,

Kathryn Roberts
