Statement of Support

I, Renee Arigoni, am writing in support of the text amendment to allow Expanded Child Development Homes for up to 12 children. I am a parent in Ward 1, and my children have attended Julia's Home Day Care on 11th St NW. Currently, Julia can care for up to 6 children, but this change will allow her program to accommodate up to 9 children.

This is a very important step because it will allow more families to bring their children to her care. Julia has expanded space in her home for her day care and has room for a few more children. Julia has been caring for children for several years, and I don't doubt that the care she provides for the children will still be of excellent quality.

Our neighborhood (U Street Corridor) has gone through major development in the last several years, and rent prices have increased dramatically. This amendment will also help to increase Julia's salary respective to our growing community and keep her day care in a close, convenient, and safe location.

Thank you,

Renee Arigoni
