Dear Chairman Hood and Members of the Zoning Commission,

This is to request that the Zoning Commission reschedule Case No. 1606 from the April 13, 2020 public meeting to April 27, 2020. We are making the request as our regularly scheduled business meeting is also April 13.

While we understand that this is a public meeting of the Zoning Commission and will require no testimony from ANC 6D, we expect to submit comments offering conditional support on the Applicant's request for a Modification of Consequence to its Design Review and would therefore like to be present at the discussion of the Modification.

We also understand that the circumstances around response to COVID-19 is upending everyone's schedule, we expect to be able to meet our April schedule and beyond.

Thank you for your consideration.

Should you have any questions, please contact me at 6D01@anc.dc.gov or 202-554-1795.

Sincerely,

Chair, ANC 6D
