DC Zoning Commission:

I oppose replacing Bruce Monroe Community Park with a 9-story-plus-penthouse tower.  
(Case 16-11)

The city's new Comprehensive Plan requires a thorough impact assessment -- ensuring that negative impacts on neighborhoods, transportation, environmental quality, and other issues are assessed and adequately mitigated. The DC Appeals court made clear this was not thoroughly done.

I live 1 block away from Bruce Monroe park and visit the park on a daily basis. It is unreasonable for us, nearby residents and the community, to be expected to walk 5 blocks away to access a park. Please do NOT take this basic necessity away from us.

Sincerely,  
Alp Keceli
