DC Zoning Commission:

I oppose replacing Bruce Monroe Community Park with a 9-story-plus-penthouse tower.  
(Case 16-11)

The city's new Comprehensive Plan requires a thorough impact assessment -- ensuring that negative impacts on neighborhoods, transportation, environmental quality, and other issues are assessed and adequately mitigated. The DC Appeals court made clear this was not thoroughly done.

This part of the city already lacks green space and removing this park will make that even worse. It's a wonderful park that is in constant use by citizens of all backgrounds.

WE NEED THIS PARK!

Sincerely,  
Robert Leary
